Wichita A's Club Minutes

On January 26th, 2009 President **Ed Giesen** called the 264th meeting of the Wichita A's to order with 70 members present.

It was moved by **Jim Broadhead**, seconded by **John Masters** to accept the minutes of the November meeting as printed in the newsletter. Motion passed.

Jim Clark, Treasurer reported on past financial entries.

Bonita Graham, Sunshine Lady reported on the passing away of **Deanne Hancock's** brother and **Vinita Hawthorne's** nephew, **Larry** and **Verlyn Cushenbery's** mother and **Jerry Burling**. **Mary Brashear** has broken both legs and **Carl Houchin** was recently in the hospital with a heart illness. **Frances Krahl** sent a newspaper clipping about Model A's vehicles for **Zane's** funeral procession.

New member, **Jerry Sharp** was present.

Correspondence was presented to the members by **Ed Giesen**.

No report available on Wichita Area Car Club Council, MARC and MAFCA.

For old business, a report on the New Year's Tour was given, Ladies Christmas Luncheon and Club Christmas Party and Charity Auction. Members were reminded to sign up for refreshments at Club meetings.

For new business, members were asked to make plans to attend Post Swap Meet Party on February 21st. February meeting program will be tour planning.

At break time refreshments were provided by **Kathleen Paxton**, **Rita Hoffmans**, **June Hall**, **Ruth Anne Praeger** and **Lenette Kottas**.

Frank Chenoweth and **Eric Baggs** gave the program to finalize details on the Sunflower Swap Meet.

Meeting then adjourned.

Minutes recorded by

Lenette Kottas, Secretary

Editor's Note

In the January newsletter I had listed a, "1929 speedster basket case", for sale. I just received word that someone in Nebraska had purchased the speedster after reading our newsletter.

Several other club members have expressed an interest in reading the "For Sale" items in the regional club newsletters. You will now find a summary of these classified ads in our newsletter.

A few years ago our club published a cookbook filled with our favorite recipes. Since then each of us have acquired new recipes that are really good. If you have a new recipe and would share it with us, please send it to me and I will publish it in our newsletter.

On a very sad note, **Richard** and I have lost our oldest daughter, **Lori Black**. She suffered from diabetes for 37 years. We would like to take this time to thank everyone for expressing their sympathy to us. You guys have really been a big help in getting us through this very difficult time.

Linda Kibbe, Editor

President's Note

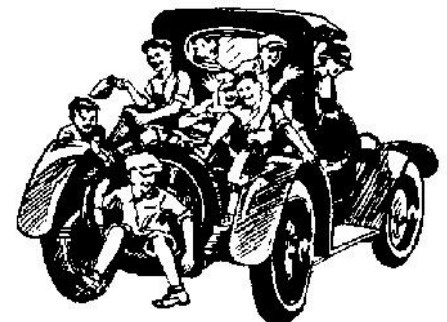

Another swap meet has come and gone and now we can look forward to the summer and the touring season.

We have a lot of new members in the club and I would encourage any member, who has the desire, to plan a tour this year. I am hoping to see a very active schedule this summer.

I will be taking a group downtown to the Automobilia show in July and **Doug Schoemaker** is now the president of the Wichita Area Car Club Council and will be needing lots of help in the execution of the Lake Afton car show. I can think of no better way for the largest car club in the city to be represented than to be heavily involved in the largest car show in the city.

Thank you for your continuing commitment to the club and our activities.

Ed Giesen, President

A Message From The Model A Medic LLC.....

Do you need parts for your Model A Ford project? Then now is the time to call the **Model A Medic LLC**. With over 1500 parts now in stock, my parts inventory is ever increasing to better serve your needs. If I don't have it, I can get it!

Are you needing work done on your "A" because you don't have the time to do it or just don't want to mess with it your self? Then now is also the time to call the Model A Medic LLC. With over 25 years of working experience I can take care of any service needs you may have whether it is just a simple oil change or an entire restoration.

Remember, the **Model A Medic LLC** is your only local source for **Model A Parts, Service, and Restoration** work!! Why order it and wait several days and pay freight when in most cases you can have it today and usually, without freight!!

Call **(316) 685-2553** or **(316) 619-1821** Hours are Mon.- Fri. 9:00AM to 6:00PM and from 12:00 – 6:00PM on Saturdays or by appointment. I am usually closed and out to lunch from 12 – 1PM during the week.

Thank You for your Business!! It is greatly Appreciated!

Eric Weninger

Sympathy

Prayers of sympathy to Richard & Linda Kibbe at the death of their daughter, Lori Black, on Feb. 7th.

Prayers of sympathy for Don Glasgow and family at the death of his wife, Opal. They live in Emporia and have been longtime members of the Wichita A's.

A Special Thank You

Words cannot express enough how our hearts are filled with gratitude to each and every one of you. The Wichita A's have been a major support to us during the loss of our daughter, Lori. Everything we received from you, such as cards, food, phone calls, emails, thoughts & prayers, memorial donation and help with the reception has helped us make it through this very difficult time of our lives.

Thank you for being here when we needed you the most.
 Richard & Linda Kibbe

Polish Dill Pickle Soup

Recipe donated by Barb Phye

8 cups Chicken Broth
2 grated Carrots
2 cups peeled and cubed Potatoes
5 grated Polish Dill Pickles
1 lb. Browned Bratwurst
1/2 cup Milk
1/2 cup Flour
1 Egg
5 T. Sour Cream
Salt & Pepper

Combine broth, carrots, potatoes, and celery in soup pot. Cook covered over low heat until potatoes are tender, add pickles and browned Bratwurst. Cook 15 minutes. Mix milk and flour until smooth, and add to soup mixing well. Bring to boil. Stirring till slightly thickened. Remove from heat. Beat egg with sour cream until smooth. Keep soup warm, but not boiling. Add some of the soup to sour cream, then gradually add back to pot. Keep warm, but not boiling or it will curdle. Add salt and pepper to taste. Makes approximately 10 servings.

New Member Profile

James and **Judi** Sharp were both raised on farms near Great Bend, **Jim** in Barton County and **Judi** across the county line in Stafford County. After they were married they eventually settled in Derby, in the eighties, where they established a Farm Bureau Insurance Agency. They also sell, Hagerty Antique Auto Insurance.

They really didn't have any interest in antique vehicles, but more recently thought that they would like to have an old commercial vehicle on which they could post their insurance agency sign. They would use it for local festivities such as the Derby Parades.

Jim's grandfather, James Lonnen, farmed south of Great Bend and in 1931 he purchased a new 1931 Model A Truck. He used the truck until his death in 1961 at which time his wife sold it to another farmer, **Richard Brining** who was also a teacher and collector. It is believed that the 2nd owner removed a grain blower and added a hydraulic lift, to use in his farming operations.

Hydraulic lift was installed by the 2nd owner

Mr. Brining owned the truck until his death in 2006. In May of 07, **Jim's** mother called to say that a Model A Truck was to be auctioned off at **Mr. Brining's** estate sale. After verifying that this was indeed the truck that **Jim's** grandfather purchased new, **Jim** and **Judi** became very excited about trying to buy it at the auction.

When they arrived at the auction and inspected the truck they found it to be in good condition with 41,000 miles showing on the odometer. It looked as if it had always been stored inside and had the original paint which was of course faded after all those years.

Jim Sharp with his 31 Truck, "Clyde"

There were several serious bidders on the truck but **Jim & Judi** were the lucky buyers.

Jim employed a commercial hauler that he knew to bring it back to Wichita. Once they had it home the word spread and **Donna** and **Gary Hileman** solicited the **Sharps** to join the Wichita A's. They have also known the **McHenry**s and others from Derby for many years.

Jim came to club meetings and started to ask around to find someone to work on the truck. Only one of the six tires held air and the gas in the tank was so old that it had turned to a syrup like substance. In the July of 2008 he had the truck delivered to the shop of **The Model A Medic** and the work began. All of the wheels were powder coated and 6 new tires were installed. Then the engine was removed and taken to **John Stone** for rebuilding. **The Medic** also rebuilt the brakes and electrical system. The brakes had the original script linings and were replaced only because they had grease on them. **Eric Weninger, The Medic**, says that overall this is the finest example of an original Model A that he has ever seen. The truck was finished by the end of October 08 and Jim drove it home.

Jim and **Judi** are very happy with the truck especially with its heritage, but soon **Judi** decided that she wanted a Model A of her own for a smoother ride and to have room to haul grand children.

They learned that **Richard Kibbe** was finishing a 29 Tudor.

A deal was made and the **Sharps** now own his and her Model A's.

Judi with her Tudor, "Bonnie"

They thought they should have names for these cars. Since the Tudor colors are Bonnie Grey and Chelsea Blue they named the Tudor, Bonnie. And the truck looks very large and masculine so they named it Clyde, hence, "Bonnie and Clyde".

Jim and Judi rode with the Hilemans last year on the trip to Turner's Buffalo ranch and enjoyed the trip very much. Now they are planning to lead a club tour to North Central Kansas in the spring of this year. RG

Model A VIN Numbers

On modern vehicles the Vehicle Identification Numbers (Vin Numbers) have been standardized since 1968 with a tag or tab on the inside of the windshield on the body structure. This is a good system since the number can be easily accessed through the windshield by law enforcement and service agencies.

In the days of the Model A Ford the system wasn't so simple. When the engine was assembled it was stamped with a consecutive sequence number from the first day of Model A production. When the engine reached the chassis on the assembly line, then the frame was stamped with the number of the engine.

You could readily verify the vin number by inspecting the number on the drivers side of the engine. As

the cars accumulated wear and an engine change was necessary then the system became "cloudy" and more so as time progressed. I can remember my dad ordering a re-built engine from Montgomery Wards and no thought was given to the engine number.

The number on the frame could only be accessed by lifting the body and loosening the splash apron which was a heavy task and not worth all of the effort.

As a result in later years it was uncommon to find a car that the engine number matched the title, so you weren't sure what you had.

We provide this list of production numbers for those who want to check their motor number to see if it might be somewhere near the original date of the year of production, based on the number on the title. RG

Paisley and Lace Make Contrast New

5542—Notice what Paris is wearing—short, bow-trimmed sleeves, diagonal seaming and a combination of black and white.

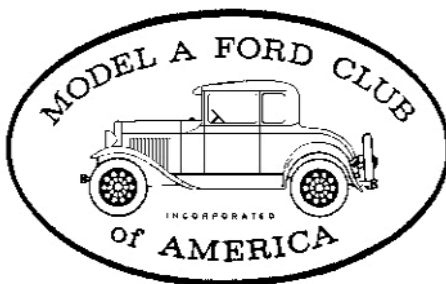

5549—Add a Paisley printed blouse to the important pleated skirt and the result is the smart new two-piece frock.

5546—Nothing could be newer than three tones of one color, cleverly combined.

The Rumbleseat Review is the official publication of the Wichita A's Model A Ford Club, Inc, a local chapter of the Model A Ford Club of America and the Model A Restorers Club. It's purpose is to keep members informed of past, present and future events, activities, and club news. In addition, this newsletter includes articles and other information to aid in the restoration and enjoyment of the Model A Ford automobile.

This publication is mailed to members, prospective members and editors of similar publications prior to monthly meetings. Meetings are usually the fourth Monday of the month. Members may publish antique car related ads only for free of charge which includes items wanted, items for sale, or items for trade. We invite members to submit articles containing technical Model A information and other interesting tidbits for publication in this newsletter. Items to be published must be submitted to the newsletter editor by deadline shown in the calendar. Wichita A's membership dues are \$25.00 (new members) and \$20.00 (renewals), per year (October to September30). MAFCA dues are \$40.00 per year and MARC dues are \$38.00 per year. An advertisement in this newsletter is \$15.00 per year.
